"THE BOY SHUTS THE DOOR, AND GRABS THE GIRL AND HOLDS HER TIGHTLY. THE GIRL CRIES A LOT. SHE GOES INTO SHOCK AND FAINTS. WHEN SHE COMES TO HER SENSES, SHE SEES A LOT OF BLOOD."

Terror on the First Night

Nobody should be married off as a child. After marriage the boy approaches his wife. The girl is shaking in terror and calls her sister-in-law. The sister-in-law tells her not to be scared and that this is how it happens. The boy shuts the door, and grabs the girl and holds her tightly. The girl cries a lot. She goes into shock and faints. When she comes to her senses, she sees a lot of blood. She calls her sister-in-law and she advises her to see a doctor. The doctor asked why the girl was married off at such a young age. The family cannot answer. The girl falls very ill.
